Please feel free to share this invitation. For questions, please contact Macsu Hill at hillma@sn.rutgers.edu. Continuing education credit for this webinar is available. See page 2 for details.

Is It Safe? Safety Surveillance through the Antiretroviral Pregnancy Registry

Provided by CDC's Elimination of Perinatal HIV Transmission Stakeholders Group

ACCREDITATION STATEMENTS:

CME activities with Joint Providers:

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Centers for Disease Control and Prevention and the **FXB Center, Rutgers University School of Nursing** and the Antiretroviral Pregnancy Registry Advisory Committee. The Centers for Disease Control and Prevention is accredited by the (ACCME®) to provide medical education for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Centers for Disease Control and Prevention designates this **enduring material** for a maximum of **1.0 AMA PRA Category 1 Credits™**.

CNE: The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides **1.0** contact hours.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **0.1** CEU's for this program.

DISCLOSURE:

In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, our presenters, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters with the following exceptions. Dr. Tilson wishes to disclose paid consultancies with the pharmaceuticals Novartis, GSK, Bristol-Myers Squibb, Merck, and Gilead Sciences. Dr. Tilson is also paid as the Senior Consultant to the Antiretroviral Pregnancy Registry (APR). Dr. Short wishes to disclose paid consultancy and speaker fees for Janssen Therapeutics and paid consultancy for Gilead Sciences.

Planning committee discussed conflict of interest with Dr. Tilson and Dr. Short to ensure there is no bias.

Presenters will be discussing potential off labeled use of drugs covered by APR.

The Antiretroviral Pregnancy Registry (APR) monitors antiretroviral (ARV) exposures during pregnancy. By registry definition, this includes monitoring of the off-label use of FDA-approved ARVs during pregnancy. *The APR does not make specific recommendations related to the use of specific ARVs during pregnancy.*

The Centers for Disease Control and Prevention, the FXB Center, Rutgers University School of Nursing, and the Antiretroviral Pregnancy Registry Advisory Committee are jointly providing the CNE for this activity.:

CDC did not accept commercial support for this activity.

To receive continuing education (CE):

- Complete the activity
- Complete the Evaluation at www.cdc.gov/TCEOnline
- Pass the posttest at 75% at www.cdc.gov/TCEOnline

FEES: No fees are charged for CDC's CE activities.
