Navigating Changes in HIV Care Coverage

Tuesday, June 9, 2026
10:00 AM - 11:30 AM

Description:
This webinar will review recent federal and programmatic updates that affect access to HIV care and medications. Participants will gain practical, up-to-date information to help patients navigate healthcare coverage and maintain continuity of care.

SPEAKER:
AXEL TORRES MARRERO, MPH

Topics:
- Recent federal changes to Medicaid
- Updates to the Ryan White HIV/AIDS Program funding formula
- Outlook for AIDS Drug Distribution Program (ADDP) benefits

Speaker Biography:

Axel Torres Marrero, MPH, is a public health policy and government affairs professional with 20 years of experience in health policy analysis, federal and state legislative advocacy, and community organizing. Skilled in developing evidence-based policy recommendations, coordinating with government agencies, and advancing health equity initiatives. Specific experience in HIV/STI, Hepatitis and harm reduction advocacy and prevention. Adept at providing training and capacity building for community-based organizations, policy makers and community advocates.
